## SHETLAND SHEEPDOG.

### Minor Puppy - Dog (Entries: 1 Absentees: 0)

1ST Highbrook Hobnob (MR K & MRS L A GOODWIN). Well this was a good start. This confident youngster looked back at me, displaying ears correctly set and used so well and his dark almond eyes weighing me up. He has clean cheeks to tapering foreface and good width to underjaw. Has carriage of ached neck from good lay of shoulder and neat elbows from return of upper arm. Balance of body to gentle slope of croup with low set on of tail. Holds himself as he goes with easy ground cover. Super presentation and coat. Only his youth stopped him going further. BP & P.GROUP. 2.

### Puppy - Dog (Entries: 2 Absentees: 0)

1ST Highbrook Hobnob (MR K & MRS L A GOODWIN). REPEAT. 2ND Marsula My Sunshine (MS E BENNETT). Rising 12 months. He has lots of confidence and is, perhaps at that in between stage of growth. He has a rounded muzzle and dark pleasing eye. Ears are looking a little low set at the moment. A touch long in hock, which affects his outline on the move. Presented in full coat and turned out well.

### Junior - Dog (Entries: 2 Absentees: 0)

1ST Carolelen Cosmic Star of Moifara (MISS M FARRELL). Rising 18 months, with a well balanced tapering head with flat skull and clean cheeks. Has decent dark eye. Flowing lines. A touch steep in shoulder blade. Correct ribbing and firm loin. Good bum and well made behind with slope to croup. Full well prepared coat sets off the outline. 2ND Willowthorn Dream Gazer (MR R, MISS G & MISS W JOHNSON, JACOBS & JOHNSON). Attentive to his good handler. Dark eye, good use of well set ear. Has elegance of head, would like a little more strength in underjaw. Stands on well boned, good legs and feet. Not in his best coat today. Lively active dog.

### Post Graduate - Dog (Entries: 6 Absentees: 1)

1ST Glenn Hurricane of the Dee Ir Jun Ch (MR B & MRS M BOYLE). Presented the most typical picture in this class. Good ear set and carriage. Pleasing expression from almond shaped dark eye. Correct bone and feet. Under his double coat is a nicely made dog. Pleasing outline, correct croup and low set tail. Light, positive mover. 2ND Karyshanty Tir Na Nog (MRS S MCDONAGH). Did not appeal in head, quite as much as winner, but has good width to underjaw and lips fit well. Masculine and soundly made with muscle. He did his job and held his shape. 3RD Highbrook He's Got Style JW (MR K & MRS L A GOODWIN) RES Willowthorn Kobalt Star by Savataurus JW Jun Ch (MR P J & MRS P SAVAGE) VHC Viewdale Cuddly Dudley JW (MR I ISDALE)

### Limit - Dog (Entries: 3 Absentees: 0. 2 very smart dogs.)

1ST Shellamoyed Simply the Best at Leterikhills JW SHCM (MISS C HEPBURN). This one was so satisfying to go over. A real typy dog, with good balance of leg to depth. Real good head piece. Flat skull ears sit well and used to show his alert character. He has a dark obliquely set eye, clean cheeks to rounded muzzle. Arch to neck, well placed shoulders, through firm topline to slope of croup and low tail set. Presented in full bloom, he is stylish on the move and good going and coming. Close choice here. RES CC. 2ND Puncknowle Star Gazer at Savataurus JW SHCM CJW15 (MR P J & MRS P SAVAGE). Smart, masculine yet has elegance and good balance. The head is of equal length with good plains, and ending at a blunt muzzle. A touch short in shoulder blade but has a good

return of upper arm ,so the elbows are neat and his well boned legs are straight. Correct proportion of length, depth and leg. Goes with light action and covers the ground well. 3RD CINBARAMY DARK SENSATION (DR A J & MR F B MCKNIGHT)

Open - Dog (Entries: 2 Absentees: 0)

1ST FEARNACH CRUSADOR (MR B P REEVES). Well, this smart dog in full bloom just never lost his shape or attention to handler. His head is masculine with refinement. Ear sit on flat skull, his eyes almond and obliquely set. Clean cheeks to rounded muzzle. Therefore the head forms a wedge. He has an arched neck, well laid shoulders and correct depth of forechest with sprung ribs. Balance of depth to length of leg and well padded feet. He has short muscled loin, gentle slope to croup and low set of tail, all contributing to his typical silhouette. He uses himself with lithe, smooth gait. D CC & BOB. 2ND CZ CH SANDWICK TURN BACK TIME AT HIGHBROOK (MR K & MRS L A GOODWIN). This handler showed typical sound dogs under me today and this was no exception. He is symmetrically built with typical attributes. Very pleasing head, arch to neck and he has good length of body with correct croup and tail set. His coat is of good texture the top coat being straight and the under coat filling out. Perhaps not quite the reach in front as the winner, but a tidy chap all through.

Minor Puppy - Bitch (Entries: 4 Absentees: 2)

1ST MOHNESEE SWEET DREAMS (MRS K E HATELEY). At 8 months had the edge on maturity. She has balance of head with correct plains. Well placed ear used to advantage. Stylish alert and active on the move. 2ND LONGRANGE CIAO BELLA BLEU (MRS C DUNNE). At just 6 months, giving a lot in maturity and finish. However it is all there to grow into. She is pretty with lovely expressive outlook. So well proportioned throughout with body that is just right for age. Notice she is by my best of breed and she is full of personality and goes with gusto.
