

## ENGLISH SHETLAND SHEEPDOG CLUB OPEN SHOW 17<sup>th</sup> JUNE 2023

### DOGS

I would like to thank the committee for inviting me to judge their summer open show and I felt honoured to be able to judge such a prestigious event. I would also like to thank the stewards who kept everything running smoothly. There are a couple of things that I would like to mention, quite a few dogs had dirty teeth. I also found quite a few oval eyes rather than almond as they should be.

MPD (1) 1<sup>st</sup> Stockden's Willowgarth Unlimited Love. Almost 9 months of age. Liked this puppy a lot, mature for his age with lovely golden coat a full white collar. He's got a masculine head which is held proudly on a well arched neck and with his dark eyes and neat ears gave him a lovely expression. He's well constructed with good bone and long tail. Moved expertly by handler which showed off his excellent movement. BPD, BPIS.

PD (2) 1<sup>st</sup> Stockden's Willowgarth Unlimited Love. 2<sup>nd</sup> Arnould's Shadoway Justa Chance. Just one month older than 1<sup>st</sup> but very much still the baby. He has a lovely moulded head but feel that the ears need to be tipped a little higher and that would improve his expression. Well constructed with excellent movement.

JD (3) 1A 1<sup>st</sup> Norris's Ferngroves's Valentino JW. 16 month old S&W. This young lad is so confident and was really enjoying his day. A dog with excellent construction that could do a day's work which showed in his movement, he just glided round the ring. Lovely well arched neck, masculine head and neatly placed ears gives him a handsome expression. In good coat well presented. RBD. 2<sup>nd</sup> Robinson's Lavika Moonlight Storm. 14<sup>th</sup> months old. Handsome tri colour in good coat which was a jet black. His dark facial markings and neat ears and a good wedge head gives him a dark and mysterious expression. He's got a lovely bend of stifle which stands out when looking at him in profile. He has a lovely outline with everything in proportion. Confident dog that showed himself continually.

ND (4) 2A 1<sup>st</sup> Robinson's Lavika Moonlight Storm. 2<sup>nd</sup> Watt's Sandwich En Vogue At Cedarbank. 22 month old sable & white. He has a good stop and a nicely moulded head, would like a tighter ear set which would give him a sweeter expression. Excellently constructed dog which moved round the ring with ease. Well presented coat with full collar which showed off his lovely neck.
