

## SOUTHERN COUNTIES CHAMPIONSHIP SHOW 27<sup>TH</sup> JUNE 2021

My thanks to the Committee (who are to be congratulated for going ahead with the show despite the many challenges) for inviting me to judge and to Phil and Jan Shepherd, my very efficient stewards who kept the ring running like clockwork. It was a great honour and privilege to judge following the long absence of shows and I thank exhibitors for my lovely entry (the second highest in the Pastoral Group). Most exhibits coped well with the awful cold, windy weather conditions and I was impressed with the behaviour of the dogs despite their lack of ring practice. Presentation was, on the whole, good, but I was horrified to find many exhibits with dirty teeth - it is an important part of your dogs presentation and should not be overlooked! I was pleased with my winners and delighted that they did so well in their respective groups.

**MPD (1)** 1 Roberts' Stanydale Rewrite The Stars For Malaroc. Confident 8 mth b/m of lovely shape and size. He has a balanced head with correct eye and ear placement, well arched neck, good depth of body and strong hindquarters with good bend of stifle. He was expertly handled and moved well in the windy conditions. Should have a very bright future. BP and PPG4 in a large group. Well done.

**PD (5, 2)** 1 Lambert's Blenmerrow Merry Minstral. This 11 mth s/w was an ideal size for his age. He has pleasing head qualities which all combine to give the desired merry expression. He was balanced in body with good reach of neck and level topline. He was well angulated fore and aft and moved soundly. He just persisted in standing a little wide behind today. A nice puppy who I see is a son of my BOB winner. 2 Moore's Frecia Lock Down Wonder At Santiara. Shapely 10 mth b/m of good colour with nice tan markings. Well balanced in profile with pleasing head, good depth of body and spring of rib, well bent stifle and good legs and feet. Moved and showed well. Hope he does not grow on. 3 Gough's Mitchfields Cappuccino At Pennymoor.

**JD (5)** Nice class. Hateley's Mohnesee Mr Bobby Black. Very confident tri of 15 mths who missed his puppy career. He is a pleasing size and shape with balanced head, good reach of neck, straight front, level topline and well angulated hindquarters. He was well handled to get the best from him as his movement could be a little erratic at times, but his showmanship won him the class. Will follow his career with interest. BJ and JPG1, very well done. 2 Fitzwater's Tasiti Cody Avec FleurdeMai. Shapely s/w with well moulded head, correct eye shape, flat skull, correctly placed stop, good shoulder and upper arm assembly, well balanced height to length ratio. He has a lovely head pattern with dark well placed eyes, neat ears and correct stop, he is well angulated fore and aft and was presented in super harsh coat. **OD (9, 2)** Lovely class. Thank you for bringing your Champions along for me to judge today. 1 French's Lindfern Light Sabre JW. Eyecatching s/w of pleasing size and shape. He has a lovely head pattern with flat skull, correct stop and nicely moulded foreface, but to be critical, I would prefer a better eye shape. His ears are neat and well used giving a sweet yet masculine expression. He was well constructed fore and aft which enabled him to move with good forward reach and drive from the rear. He was an attentive showman and I was delighted to award him the CC. I was told later that it was his third, so congratulations on joining the upper house. 2 Aaron's Ch Lafitte De Moorstile Chez Shelridge (Imp Fra) JW. S/w of excellent breed type. He has a well balanced head with flat skull, correct stop, dark correctly placed eye shape, lovely ear placement and good underjaw. He has a nicely constructed moulded head with pleasing eye and ear placement, a good reach of neck, well laid shoulder, good depth of chest, spring of rib and good hind angulation. She was well angulated fore and aft and when she settled she moved really well. She is a little on the small side at the moment, but has plenty of time on her side to grow and develop.
