

## Scottish Shetland Sheepdog Club Championship Show 19.02.23

### Bitches

I must thank the committee for the invitation to judge my local club show and the exhibitors for their entries. I had a lovely entry of quality girls awaiting me. My co judge, was the well known all breed judge Frank Kane, politely agreed to disagree on the BIS and RBIB but we were more than happy to agree on the rest of the awards. I was delighted with my line up and my final four in the challenge are all fabulous examples of the standard and each one of them could have taken home the CC.

**MPB (7,1)** 1. Hill, Molson Mine Till Midnight Glamorous 8 month S/W, excellent for size with a lovely outline and correct height to length ratio. Refined skull, parallel head planes, flat skull and correct stop. Nice eye shape, obliquely set, of correct size, colour, pigmentation all combining to give her a sweet, feminine expression.
